MORE THAN EVER

CALIFORNIA TEACHERS SUMMIT

A third annual statewide day of learning by teachers, for teachers

**Friday,**  
**July 28, 2017**  
8:00am-12:30pm\*

California teachers are working hard to foster inclusive classrooms, spark learning and equip all students to succeed. **Now more than ever**, teachers deserve an opportunity to come together and share ways to support our students, protect our values as educators and set an example for the nation.

Join thousands of teachers from across California for a FREE day of learning featuring TED-style EdTalks presented by a local teacher and Edcamp discussions led by teachers, for teachers. You will walk away with access to the latest strategies and tools you can bring back to your classroom. Before and after the Summit, the Better Together community is convening a series of online and offline events to deepen the conversation, share resources and help teachers stay connected throughout the year.

Together, we can ensure that every California student receives a quality education and is prepared to take on the challenges and opportunities ahead.
